

## Pressure Control

### Bronze Pressure Relief

**Applications:** Water

**Working Pressure:** 200 PSI  
Pressure Relief Valves set standard at 100 PSI  
Other settings available on request.

**Threads:** BSP, ISO 7/1

| Size (in) | PRODUCT CODE |
|-----------|--------------|
| 1/2       | BZVPR-015    |
| 3/4       | BZVPR-020    |
| 1         | BZVPR-025    |
| 1 1/4     | BZVPR-032    |
| 1 1/2     | BZVPR-040    |
| 2         | BZVPR-050    |
| 2 1/2     | BZVPR-065    |
| 3         | BZVPR-080    |

## Float Valve

### Brass - Piston Type

**Applications:** Water Trough, Agriculture

**Working Pressure:** 150 PSI

**Threads:** BSP, ISO 228

| Size (in) | PRODUCT CODE |            |
|-----------|--------------|------------|
|           | Valve        | Ball       |
| 1/2       | BRVFLV-015   |            |
| 3/4       | BRVFLV-020   |            |
| 1         | BRVFLV-025   |            |
