*Lloyd's Register Classification Society (China)Co., Ltd
19th Floor, Ocean Towers, 550 Yan An Dong Road, Shanghai 200001
A member of Lloyd's Register group Limited*

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as the 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

This is a copy of an electronic document. In the event of any conflict or ambiguity between the copy and the electronic document, which is retained and published by Lloyd's Register, the original electronic and certified version shall always prevail.

OTHER CONDITIONS

Where the hoses are intended to be fitted in fuel oil systems in special service craft classed with LR, the hoses with end fittings are to be tested, examined and installed to the surveyor's satisfaction, and not to be used in craft of the hull length over 24 metres.

"This Certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register Classification Society (China) Co., Ltd. of any modification or changes to the equipment in order to obtain a valid certificate."

The Design Appraisal Document No. STS/TA/305719D, Issued number 0, dated 15 November 2016 and its supplementary Type Approval Terms and Conditions form part of this Certificate.

All other details remain as the previous Certificate No.09/10029(E1) to which this extension should be attached.
